### TERMS

**Share:** Within a central market area, the estimated total hours tuned to that station expressed as a percentage of total hours tuned to Total Encoded Radio.

**Cume (000):** Expressed in thousands, this is the total number of people who were exposed to the stations for at least one minute during the analyzed period.

**Average Daily Universe:** The average daily universe for the analyzed period. The universe is expressed as daily averages because it changes slightly daily as the intab changes.
